The Happy Camper: Informative & Entertaining

Kevin Callan returns once again to show us how to be "happy" out there in the woods. The renowned author (*The Happy Camper & Wilderness Pleasures*) will be presenting camping tips such as erecting a tarp, choosing a good sleeping bag, lighting a one match fire, dealing with black bears, baking bannock, freezing beer, brewing true-grit camp coffee, and buying the best camping gadgets. He will also share trip notes on new or lesser-known canoe routes like Island Lake, Magnetawan River, and Kirkpatrick Lake...places he explored last season. Remembering how entertaining Kevin is, this is another show you don't want to miss.
